## **ACCESSIBILITY AND EQUALITY PLAN - 2020-2021**

This document should be read in conjunction with Unity School's Partnership's Equality Objectives.

There are a number of statutory duties that must be met by every school in line with legislation from the Race Relations Amendment Act 2000, Disability Equality Duty 2005 and Equality Act 2010. Tollgate Primary School is committed to meeting its public sector duties and acknowledges that we have a statutory duty to:

- Eliminate discrimination, harassment and victimisation.
- Promote equality of access and opportunity within our school and within our wider community.
- Promote positive attitudes to difference and good relationships between people with different backgrounds, genders, cultures, faiths, abilities and ethnic origins.

At Tollgate Primary School

- We try to ensure that everyone is treated fairly and respectfully.
- We want to make sure that our school is a safe and secure place for everyone.
- We recognise that people have different needs, and we understand that treating people equally does not always involve treating them the same.
- We aim to make sure that no-one experiences less favourable treatment or discrimination because of
  - Their age
  - A disability
  - Their ethnicity
  - Their gender
  - Their gender identity
  - Their marital or civil partnership status
  - Pregnancy or maternity
  - Their religion or belief
  - Their sexual identity and orientation

The Leadership Team and Governors at Tollgate Primary School regularly review the progress that we are making to meet our equality objectives with regard to protected groups under the Equality Act 2010. There is specific disability legislation in relation to disabled pupils and accessibility which means we must plan strategically over time to:

- Make improvements to the physical environment of the school to increase access.
- Increase access to the curriculum.

## ACCESSIBILITY AND EQUALITY PLAN - 2020-2021

- Make written information accessible to pupils in a range of different ways.

We must ensure that disabled pupils do not receive less favourable treatment and to do this the school has a duty to make reasonable adjustments. Our accessibility plan forms part of this document.
