Friday 11th March, 2022

This Week...

- Choir perform at Snape Maltings as part of their 'Celebration' event.
- A small group of Year 4s had the opportunity to work with Crafty Foxes to create mosaic tiles for the Abbey 1000 project.
- Reception enjoyed their forest school session; they were looking for different habitats and found some frogs in the pond!
- Year 2 have been testing their knowledge of 3d shapes. They had to feel the shape and try to name it based on the properties they had identified.
- Ladybirds have coped very well with all the different adults they have had this week. We hope Mrs Wappett will be back in early next week.
